### *Accountability in a Time of Restraint*

---

**DATE:** Thursday, May 10, 2012  
**PLACE:** Geraldo's at LaSalle Park  
50 North Shore Blvd. E.  
Burlington, ON  
**TIME:** 1800h - 2030h

---

**TOPIC:** We have seen many examples media recently of accountability gone awry in health care (ex. eHealth Ontario, Ornge, etc.). In a time of unprecedented restraint, amid a backdrop of a bleak economic outlook, it is more important than ever that we are accountable on the use of increasingly scarce public dollars. What can we learn about these examples of accountability gone awry to lead us into an era of greater transparency and open accountability?

**SPEAKER:** **Jim McCarter** - Auditor General of Ontario

Jim McCarter was appointed Auditor General of Ontario by Ontario's Legislative Assembly in December 2004. Jim had been acting in this capacity since the retirement of former Provincial Auditor, Erik Peters, in September 2003. Prior to assuming these responsibilities, Jim spent almost four years as Ontario's Assistant Provincial Auditor. Before that, he was the Government of Ontario's first Assistant Deputy Minister and Chief Internal Auditor. Prior to serving as the government's Chief Internal Auditor, Jim was an Executive Director in the Office of the Provincial Auditor of Ontario. In 1989–1990, Jim served as Auditor General of St. Kitts and Nevis in the Caribbean on behalf of the Canadian International Development Agency.
