What can the world learn from China's "zero-Covid" lockdown?

Short-term lockdowns could be key to ending pandemics early.

Objectives

This workshop will

- ▷ outline lessons from around the globe on how leaders can support leaders for a healthy world, and
- ▷ seek your input on opportunities for leaders around the globe to connect and support each other as they grapple with future healthcare challenges.

Strengthening Ties Between Healthcare and Leadership

Experiences, Effects, and Resilience

2-3 May 2022 • Virtual Conference

The World

Questions posed

1. What are the major leadership challenges health care leaders have experienced?
2. What lessons have you learned about leadership as a consequence of the above?
3. What are the 3 most important attributes of leadership individuals moving into a health care leadership role must learn to be able to take on the health care challenges of the future?

Major leadership challenges experienced

Pair and share:

What leadership challenges did you experience?

What challenges on the world stage stood out for you?

Lessons learned about leadership

Advice for someone moving into a leadership role

Key Themes: What stands out for you?

WORLD HEALTH LEADERSHIP NETWORK

DRAFT

Mission/Vision/Principles

Mission

To grow health leadership capacity by bringing leaders together to share practices, knowledge, challenges, and successes; and where appropriate, apply the discipline of leadership to respond to the complex, novel challenges of the 21st century.

Vision

Leadership that supports global leaders to create healthy lives on a flourishing planet.
