CHE TRACK: CCHL CONTRIBUTIONS

Overview

Approach to CHE Track Eligibility

Eligibility to apply for the Fellows Select program through the CHE Track requires applicants to meet the basic eligibility requirements of all three tracks (outlined below) as well as completing 3 Health Leadership Specialties and 2 CCHL contributions.

CCHL Contributions Purpose

The requirement for CCHL contribution will promote and encourage the participation of individuals with their CHE credential in CCHL activities and events. This supports a priority of CCHL to embolden Canadian health leadership networking and building of community, contributing to health system improvement and transformation. These contributions also ensure a diverse and broad group of eligible volunteers that add value and depth to CCHL events.

CCHL Contributions

To meet the eligibility criteria for two CCHL contributions, CHE Track applicants are required to have completed a minimum of two of the following:

- Board of Directors member (one term)
- Board Committee member (one term)
- Chapter Executive member (Member at Large or Executive Member)
- Peer Reviewer, Healthcare Management Forum
- CHE Evaluator (minimum of five years)
- Volunteer at NHLHC, or other conference or chapter events (three events)
- Participate in CHE presentations such as strategic alliance annual presentations, CHE Bootcamps, CHE Lounge events (six events)
- Member, Award Selection Committee
