# CCHL NATIONAL CONVERSATION PART 2

CANADIAN COLLEGE OF HEALTH LEADERS    COLLÈGE CANADIEN DES LEADERS EN SANTÉ

# Land Acknowledgement

We would like to begin our day by acknowledging that the land we are on is the traditional territory of many nations including the Mississaugas of the Credit, the Anishnabeg, the Chippewa, the Haudenosaunee and the Wendat peoples and is now home to many diverse First Nations, Inuit and Métis peoples. We also acknowledge that Toronto is covered by Treaty 13 with the Mississaugas of the Credit. Together we honour and respect Indigenous Peoples, their histories, and their rights, as the original caretakers and stewards of Turtle Island. We are grateful to share these lands and waters together and we are committed to forging culturally safe relationships, to learning, and to contributing to reconciliation. We hope that it is in this spirit that you join with us today.
