

2023 Call for Nominations: Board of Directors, Expert, and Advisory Committees

CADTH is seeking nominations for its Board of Directors, as well as expert and advisory committees. If you have significant expertise in the Canadian health care system, are interested in helping support health care decision-makers in making informed choices about health technologies, and are passionate about ensuring that the health care system in Canada is the best it can be, we encourage you to apply.

CADTH is an independent, not-for-profit organization responsible for providing health care decision-makers in Canada with objective evidence to help make informed decisions about the optimal use of drugs and medical devices in our health care system. CADTH receives funding from federal, provincial, and territorial governments in Canada, with the exception of Quebec. The business efforts of the CADTH Board and its committees are conducted in English.

Nominations must be submitted through our online form and received by **Monday, April 24, 2023**.

Available Opportunities

CADTH is seeking nominations for the positions that follow.

CADTH Board of Directors

The CADTH Board of Directors has the overall responsibility for administering the affairs of the corporation and providing the strategic direction to guide CADTH's success as the go-to provider of evidence and advice in Canada on the use of drugs and other health technologies.

We are seeking

- 1 health system member
- 1 public member
