The **Vice President, Medicine** is an integral part of Interior Health's Senior Executive Team (SET) with joint accountability for setting new standards of excellence in the delivery of health services in British Columbia. The VP, Medicine provides strategic medical administration leadership and is accountable for medicine related processes governing the delivery of optimum, consistent, and competent medical care provided by Interior Health. The VP, Medicine works with the VP, Quality, Research & Academic Affairs and the Clinical Operations portfolios to enhance integration, transparency, and accountability for operational and strategic performance.

KELOWNA, BRITISH COLUMBIA

The Okanagan's largest and liveliest population centre, **Kelowna**, is one of Canada's most popular vacation destinations. Renowned by some as the "Summer City" due to its idyllic lakeside setting, Kelowna beckons visitors with its year-round glistening waters and captivating community. If you're a fan of water activities like sailing, house boating, kayaking, windsurfing, and fishing, Kelowna may become your permanent haven. The heart of downtown Kelowna treats you to a breathtaking panorama of lakes, mountains, and parks, where you can indulge in a diverse array of options including cafes, continental and ethnic eateries, vibrant nightclubs, distinctive boutiques, heritage structures juxtaposed with modern architecture, art galleries, museums, live music and theater, and even a symphony and ballet.
