

Graduated Entry Fee Policy

The following are the approved policy applications for administering the graduated entry fee.

1. What are the membership rates for the graduated entry fee?

As of January 1, 2025, the rates are:

Year 1: \$195

Year 2: \$195

Year 3: \$390

Year 4: Regular Active membership fee of \$475 applies

2. Can current Active members terminate and return in a new year and apply to get the graduated entry fee?

No. The intent of the graduated entry fee is to recruit new Active members, not offer an incentive to have Active members terminate in order to rejoin and gain access to a discounted rate.

3. Can student members access the graduated entry fee once they complete their student membership period?

Yes, student members will transition to the active membership category Year 2 of the graduated entry fee structure.

4. Can Active members who terminated several years back rejoin the College at a graduated entry fee level?

Yes, if they have been terminated for more than four years, they may rejoin at the graduated entry fee for new Active members.
