Peel Senior Link

Chief Executive Officer

Lead an organization with a mission to enable seniors to live at home independently with integrated support and services

Peel Senior Link (PSL) is a well established, award-winning, not-for-profit community support agency that has been serving seniors, families, and caregivers for over 30 years, PSL offers a diverse range of high-quality services and accredited programs to over 1,200 seniors across the Region of Peel to help them live independently with integrated support and services and age at home with dignity.

Led by an engaged Board of Directors, PSL prides itself on delivering the best possible care and excellent client services through a dedicated team of staff who provide personal support & homemaking services on a 24/7 on-site basis to clients in eleven designated senior's buildings. PSL is accredited with exemplary standing through Accreditation Canada and is focused on maintaining best practice in quality client care leadership. PSL is also proud to work in partnership with other health and social service providers and community agencies in the municipalities of Brampton, Mississauga, and Caledon.

Following the decision of the current Chief Executive Officer to retire after a successful tenure of twenty-six years, the Board is looking for an outstanding leader with a passion for serving seniors and older adults to improve their health, well-being, and independence. The CEO will inspire that same passion across the organization and work collaboratively with funders and community partners to deliver the highest quality of programs and services. Reporting directly to the Board of Directors and working closely with committed management and dedicated staff, the CEO will be a visionary organizational leader and strategic community partner committed to service excellence, health and social well-being for seniors and older adults and a caring and responsive approach to personalized client-centred care. The CEO will also work to support the development of Ontario Health Teams and maintain a positive relationship with Ontario Health.

The CEO will have at least seven years of leadership experience within the not for profit public or private sector, preferably within healthcare, and have a proven track record of achievement in service improvement, business development, building collaborative partnerships, and advocating for change to enable seniors to live at home independently. In addition to a degree in public administration, health administration, social sciences, or a related field, you will ideally hold a Masters-level qualification in Health Sciences, Health Administration, or Business Administration.

A strong financial background and experience is essential. A detailed understanding of the Canadian healthcare system and a working knowledge of the legislative and regulatory framework for long term care will be essential. As a visionary and inspirational leader with excellent interpersonal skills and proficient team building skills, the CEO will promote a culture of collaboration, excellence and continuous improvement and demonstrate an understanding of working in a culturally diverse and changing community environment.

The closing date for applications is Friday February 7, 2025. To obtain more information or to express your interest in this leadership opportunity please call Tony Woolgar at 416 902 2974 or forward your resume, in complete confidence, to tony.woolgar@lesp.ca.
