

Join Northern Health as a Health Service Administrator!

Are you ready to advance your career within a dynamic and supportive environment? Northern Health is seeking a seasoned leader with extensive management experience to join our team.

**Position Overview:** As a Health Service Administrator, you will lead the planning, integration, delivery, and evaluation of programs and services for designated communities or geographic areas within our regional system. Your role ensures the provision of high-quality patient, client, and resident care, aligning with Northern Health's strategic plan and health service delivery area (HSDA) operational priorities. You will collaborate with the senior leadership team to develop and implement strategic initiatives.

**Compensation:** Starting salary ranges from \$155,327 to \$194,159, based on education, training, experience, and comparable positions.

**Location:** Prince Rupert, a unique marine-based port city on northwest BC's Pacific Coast, offers unparalleled wilderness exploration and wildlife viewing. Located 721 km west of Prince George, Prince Rupert is a key transportation hub and home to 13,500 residents. The city is rich in Indigenous history and customs, and is recognized globally for its port facilities, providing numerous economic opportunities.

**Benefits:**

- Comprehensive benefit packages including extended health/dental and a municipal pension plan for part-time and full-time employees. Casuals can opt-in for benefits.
- Four weeks vacation after one year of continuous service.
- Financial support for moving expenses.
- Employer-paid training and leadership development opportunities.

**Qualifications:**

- Master's degree in health administration or a related field.
- 7-10 years of progressively senior health care administration experience, or an equivalent combination of education and experience.

**About Northern Health:** Northern Health serves nearly 600,000 square kilometers, providing health services to over two dozen communities and 55 Indigenous communities. We cater to a population of 300,000 with over 9,000 dedicated staff and physicians, delivering exceptional health services in partnership with communities and organizations in Northern BC.
